Readings and Resources

The following papers and resources were mentioned in Lecture and notes:

[The Moral Machine: A platform for gathering a human perspective on human decisions made by machine intelligence, such as self-driving cars](#)

[Racial Bias in driver-yielding behavior at crosswalks, National Institute for Transportation and Communities, Report \(2014\)](#).

Please note that your success in the course is not dependent on reading and understanding these articles, in all their detail. They are provided as a reference. They will provide additional information that you may find useful as you watch the videos and complete the assessments.
