

≡ Item Navigation

This is an ungraded tool to develop your understanding of the material.
You can change the values or adjust positions of the lines to visualize any linear system with 2 variables.

Linear functions:

$y =$ $x +$

$y =$ $x +$

Number of solutions:

☒ One

☐ None

☐ Infinite

System of equations:

$x +$ $y =$

$x +$ $y =$

Solution:

(1, 4)

↗ Expand

✓ Complete
