45 min
-  **Reading:** The Shiny Cheat Sheet
20 min
-  **Reading:** The Shiny Gallery
20 min
-  **Practice Quiz:** Shiny Basics
10 questions

Publishing Shiny Apps

-  **Video:** Uploading Apps to shinyapps.io
9 min
-  **Video:** Integrating Shiny into R Markdown Reports
4 min
-  **Reading:** Deploying Apps to shinyapps.io
10 min
-  **Peer-graded Assignment:** Your First Shiny App
45 min

The Shiny Tutorials

These are an extremely detailed set of walkthroughs and tutorials generated by RStudio about Shiny. These materials go into far more detail than the course videos, but if you want to take a very deep dive, they are a great resource.

Going through all of these materials is unnecessary to grasp the skills needed for this course, but you should spend some time reviewing these materials now, and keep this in your pocket for future refreshing.
