Google Consumer Survey

Imagine surveying the web with a tool so precise it could predict the 2012 [presidential election](#). With Google Consumer Surveys, you choose your target audience, type your question and watch the results roll in within hours. Get complete results in days; not weeks. It's easy, affordable and better yet — it's accurate.

Ask your question

Watch the web answer it

Get analyzed results

Take the tour

Survey name:

08/23/15

Sample

- ☒ General population
Visitors to desktop and mobile web sites in [available countries](#).
- ☐ Android smartphone users
People with the Google Opinion Rewards app in [available countries](#).
- ☐ Audience panels (Opinion Rewards users only - [Learn more](#))

Pricing

10¢ to \$3.50 per complete

Each respondent answers all questions in your survey. Prices are based on survey length. See [full price table](#).

Age

- ☒ 18-24
- ☒ 25-34
- ☒ 35-44
- ☒ 45-54
- ☒ 55-64
- ☒ 65+
