If this is your first time accessing RStudio Cloud you will be asked to create an account, or you can also authenticate using Google or GitHub credentials.

The image shows the RStudio Cloud login interface. It features a light gray background with a white login card. The card contains two input fields for 'Email' and 'Password', each with a toggle icon on the right. Below these fields is a blue 'Log in' button. Underneath the button is the text '— or —'. Following this are two more blue buttons: 'Log in with Google' (with the Google logo) and 'Log in with GitHub' (with the GitHub logo). At the bottom of the card, there is a link 'Forgot your password? | Sign up' and a small disclaimer: 'By clicking log in, you agree to the RStudio.cloud terms of use.'
