Join us on Discourse!

Hello!

We've created a Discourse community for you to discuss course topics, ask for help, and find out about upcoming DLAI events and competitions.

Please click the box below indicating you agree to use the tool responsibly and then click on "Open Tool."

We hope to see you there!

- The DeepLearning.AI team

This course uses a third-party tool, Join us on Discourse!, to enhance your learning experience. The tool will reference basic information like your name, email, and Coursera ID.
