Overview

Step 13 error
Grades

Tapan Kulkarni   a year ago

Is anyone getting an error message for Step 13?

Hi Tapan,

Thanks for writing in.

Please change the REGION to your region in the URL also to get rid of this error.

https://api.**REGION**.cf.cloud.ibm.com

Thanks,

Anamika

Hi Anamika,

I am getting following error message after Step 13.

```
CalledProcessError: Command 'b"ibmcloud target --cf-api 'https://api.REGION.cf.cloud.ibm.com' -r us-south -o kulkartops@gmail.com
\n"' returned non-zero exit status 1.
```

What's wrong here?

Thanks,

Tapan
