coursera

Further Reading: Grid Search

This is the starting point in the manual for information on grid search:

http://docs.h2o.ai/h2o/latest-stable/h2o-docs/grid-search.html

To go directly to the list of available hyperparameters (it dffers for each algorithm):

http://docs.h2o.ai/h2o/latest-stable/h2o-docs/grid-search.html#supported-grid-search-hyperparameters

For more background, this Wikipedia article is a good starting point:

https://en.wikipedia.org/wiki/Hyperparameter_optimization
