2.203 Task: Steganography – instructions

4x4 pixel art

The artist David Stoll created a piece of art that is both a homage to popular culture heroes and a study on pattern recognition using only 16 pixels: all images are 4 pixels by 4 pixels (see http://www.stoll.space/design/#/4x4/).

Inspired by David Stoll's work and steganography, I created a secret message for you all, hidden in the images below.

What is the secret message?
